

A Rosary Guide
in the Dominican Tradition

The Dominican Tradition & The Power of Prayer

For over 800 years, the Dominican Order has defended the dignity of all human life through preaching, prayer, and service. Rooted in Truth (*Veritas*), we turn to the Rosary, entrusted by Our Lady to St. Dominic, as a powerful means of intercession for the protection of life.

This guide offers Rosary intentions to uphold the dignity of life—praying for the unborn, mothers in need, the sick, the elderly, and all who are vulnerable. Through this Rosary, we entrust the protection of all life to the Blessed Mother, Patroness of the Unborn.

ROSARY INTENTIONS FOR LIFE

As you pray, offer these intentions for the sanctity of life:

Joyful Mysteries: The Gift of Life

(Mondays, Saturdays)

The Annunciation

For expectant mothers, that they choose life with courage.

The Visitation

For those supporting mothers in need.

The Nativity

For unborn children, that they are welcomed with love.

The Presentation

For parents raising their children in faith.

The Finding in the Temple

For young people to cherish life and follow God's call.

Sorrowful Mysteries: The Suffering of the Innocent

(Tuesdays, Fridays)

The Agony in the Garden

For women in difficult pregnancies to find peace and support.

The Scourging at the Pillar

For victims of abuse and violence.

The Crowning with Thorns

For those persecuted for defending life.

The Carrying of the Cross

For the sick, disabled, and burdened.

The Crucifixion

For the dying, that they may know love and mercy.

*May all our prayers, through Our Lady's intercession,
help build a culture of life.*
